

Sample Assignment

Below are a small sample of the typical kinds of questions you will be asked to research and answer on this course. Why not have a go and see if you can answer any of them before you enrol? Please remember we would not expect you to know any answers at all at this stage so anything you do know already is an advantage.....Good Luck!!!!

- 1: What is the result when ferrets are bathed too frequently?
- 2: If rats are deprived of water how do they obtain water?
- 3: What are the deciduous teeth?
- 4: How is venom delivered by a scorpion?
- 5: What is prohibited to eat for pigs and why?
- 6: Why is it important to provide chinchillas with a dust bath?
- 7: What is the importance of vitamin C in a guinea pig diet?
- 8: What does POTZ mean and why is this important in housing reptiles?
- 9: What is the diet of a captive sugar glider?
- 10: Why should gerbils not be caught or held by the tail?
